Notes

Elige la versión según tu simulador

NOTA: Mi Windows está en inglés, supongo que en español «Keep» está traducido como «guardar», «mantener», «conservar» o algo similar.

Si aparece este paso, la instalación tardará un rato: paciencia...

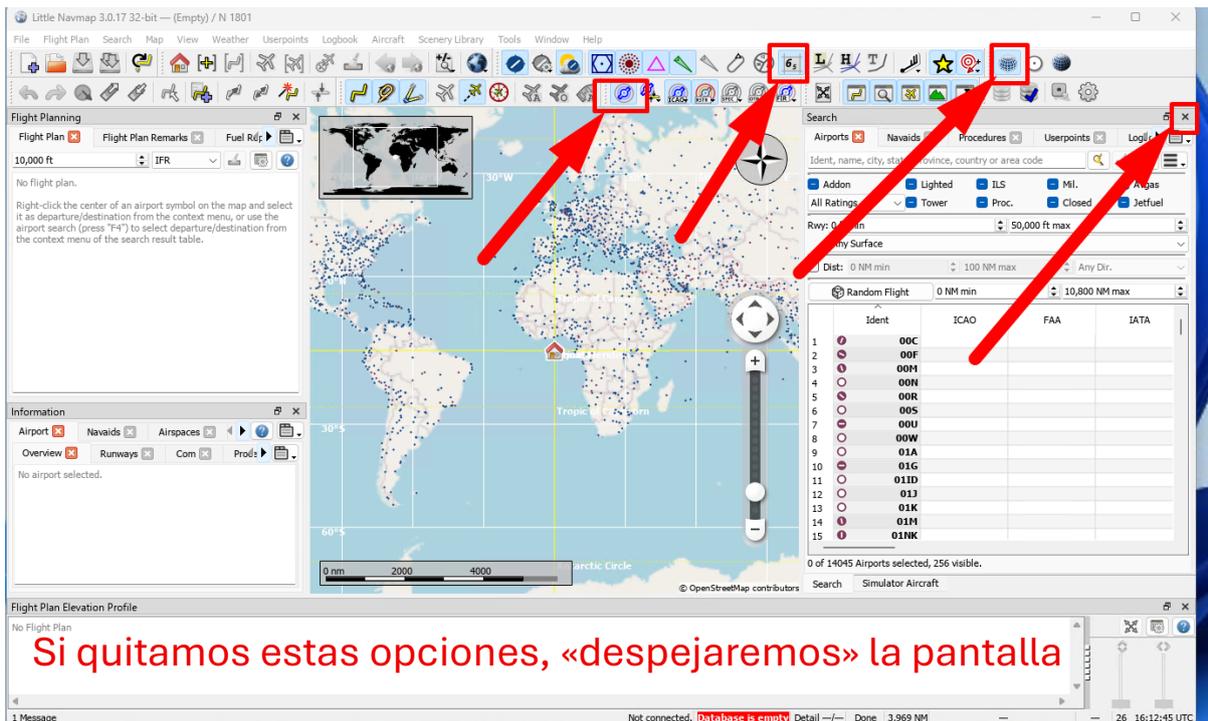

Dejar solo la primera casilla y el programa se abrirá

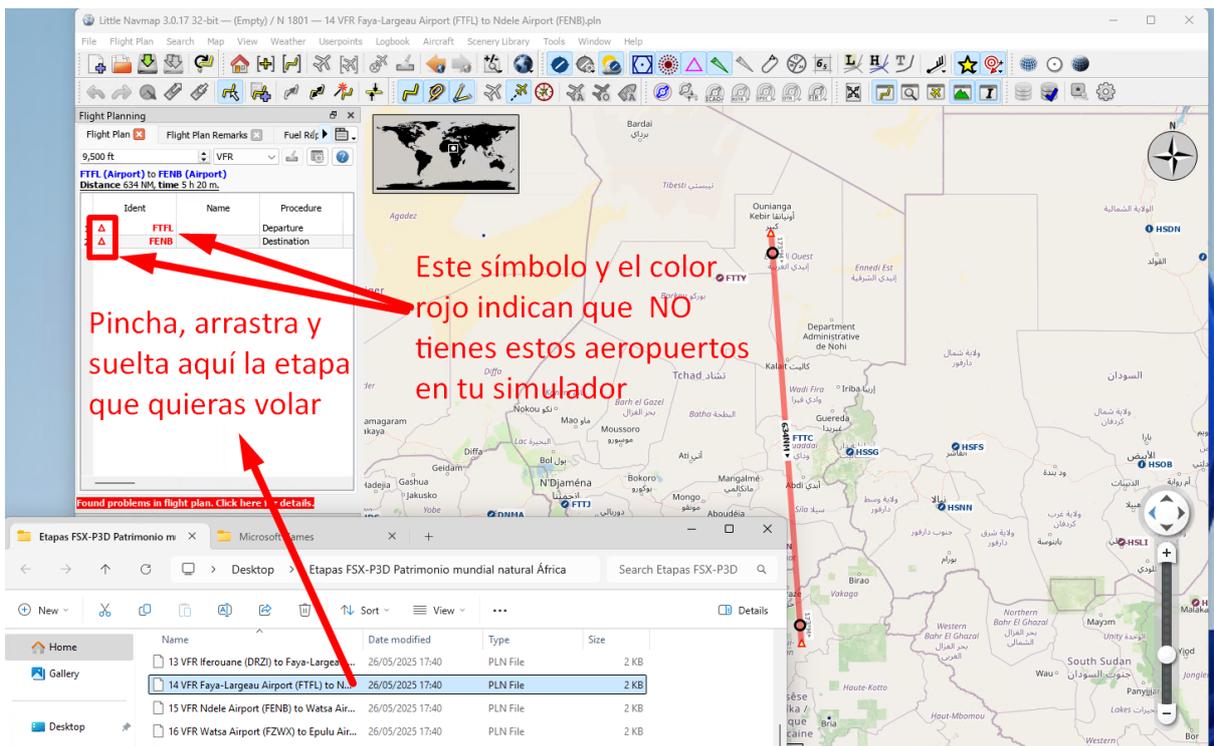

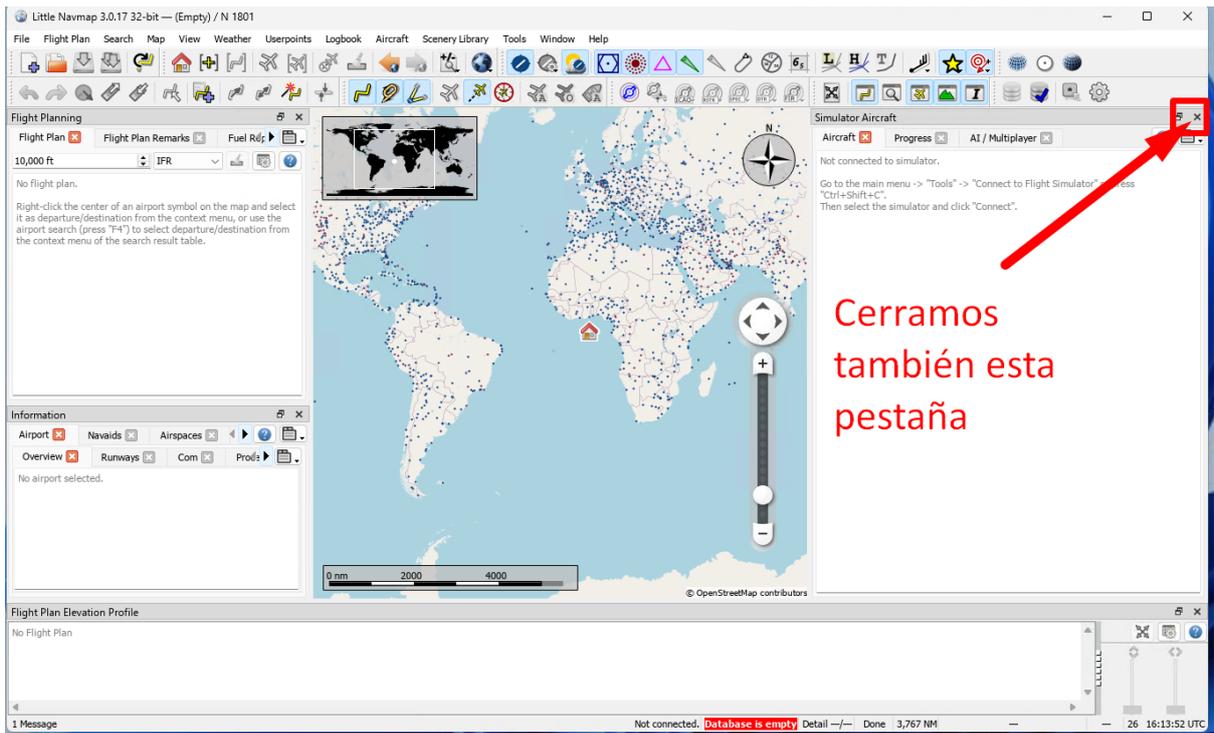

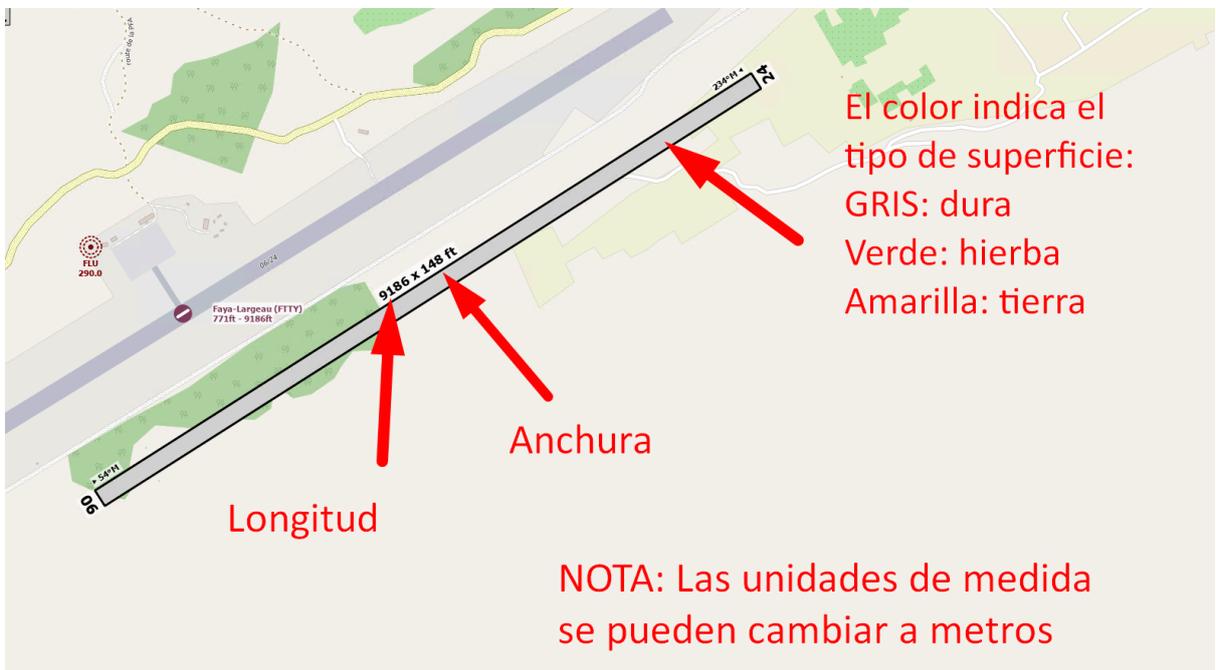

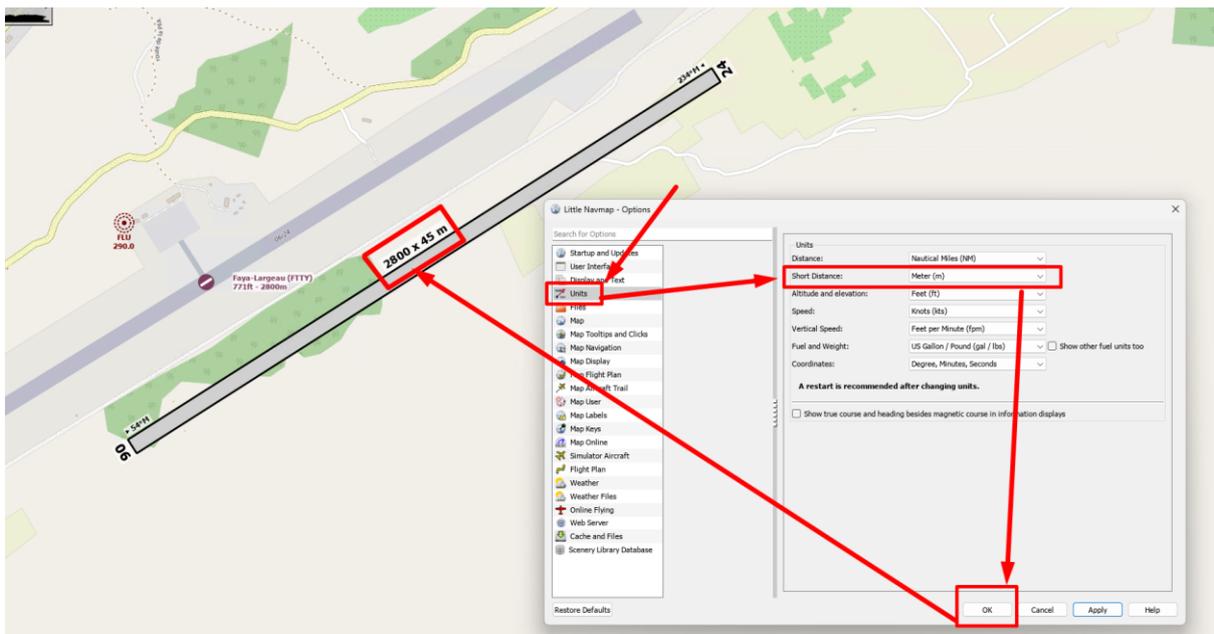

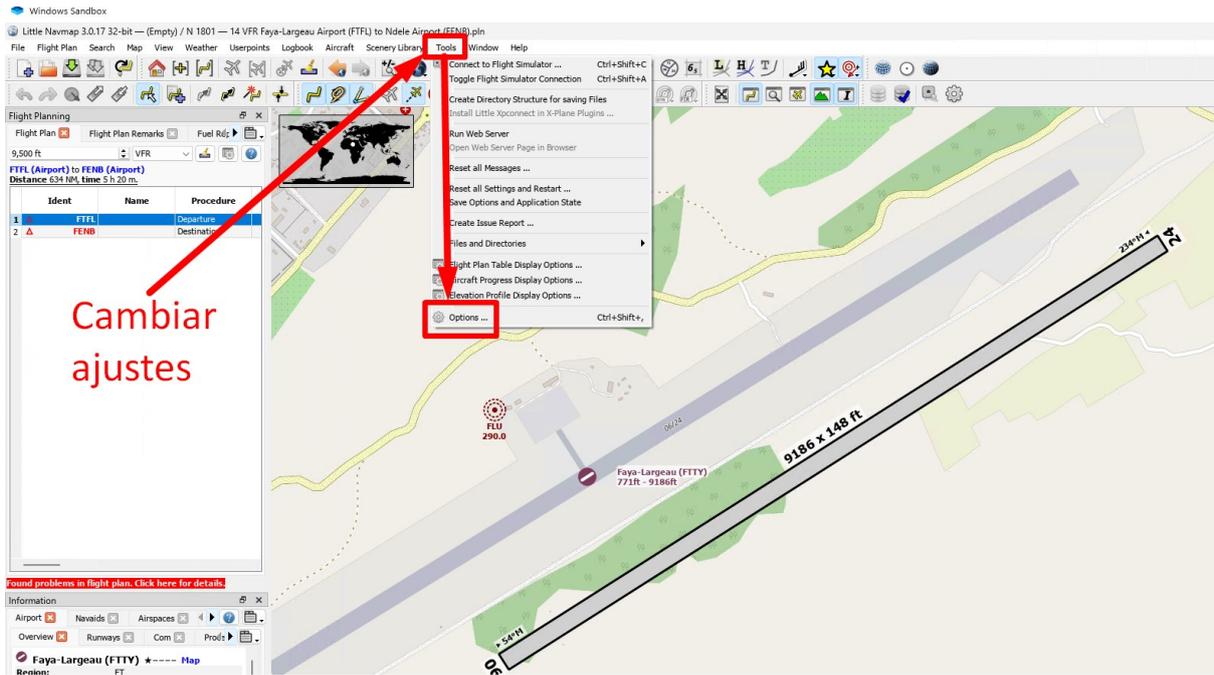

Marcamos y elegimos «Yes»

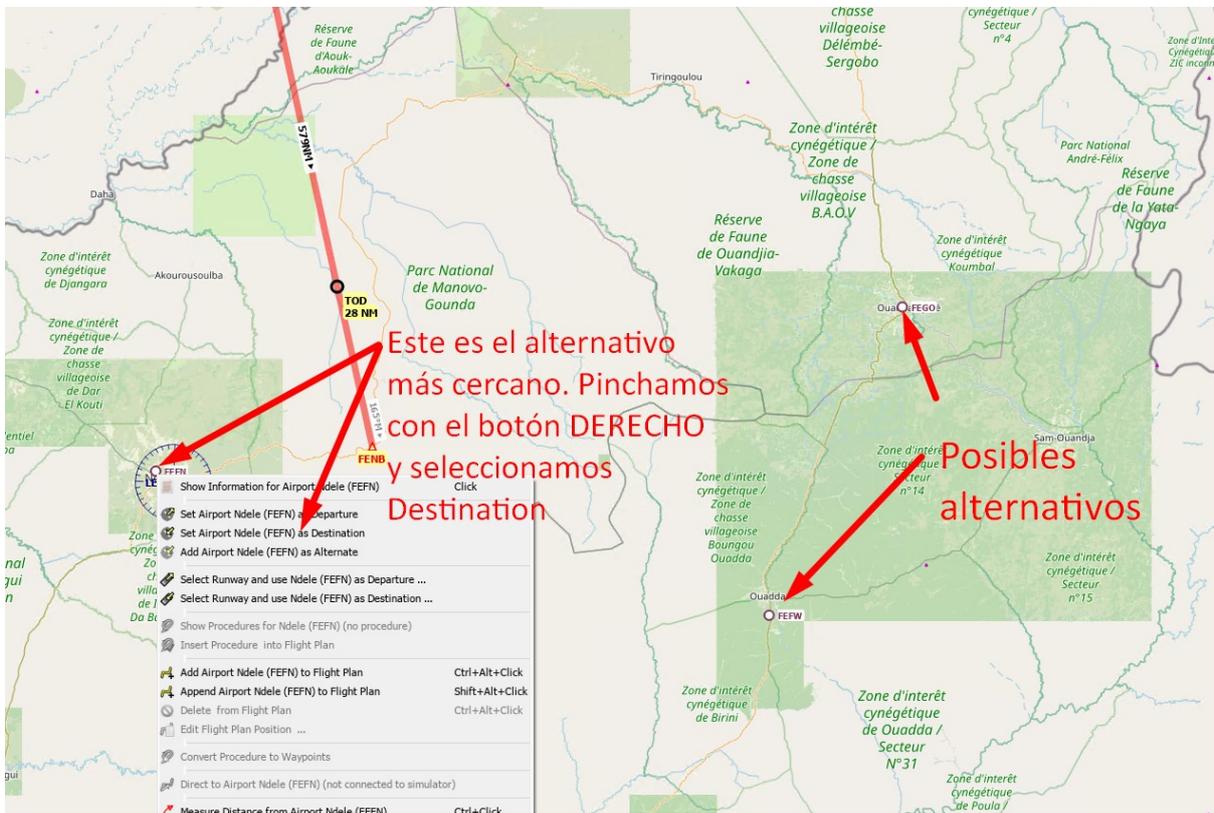

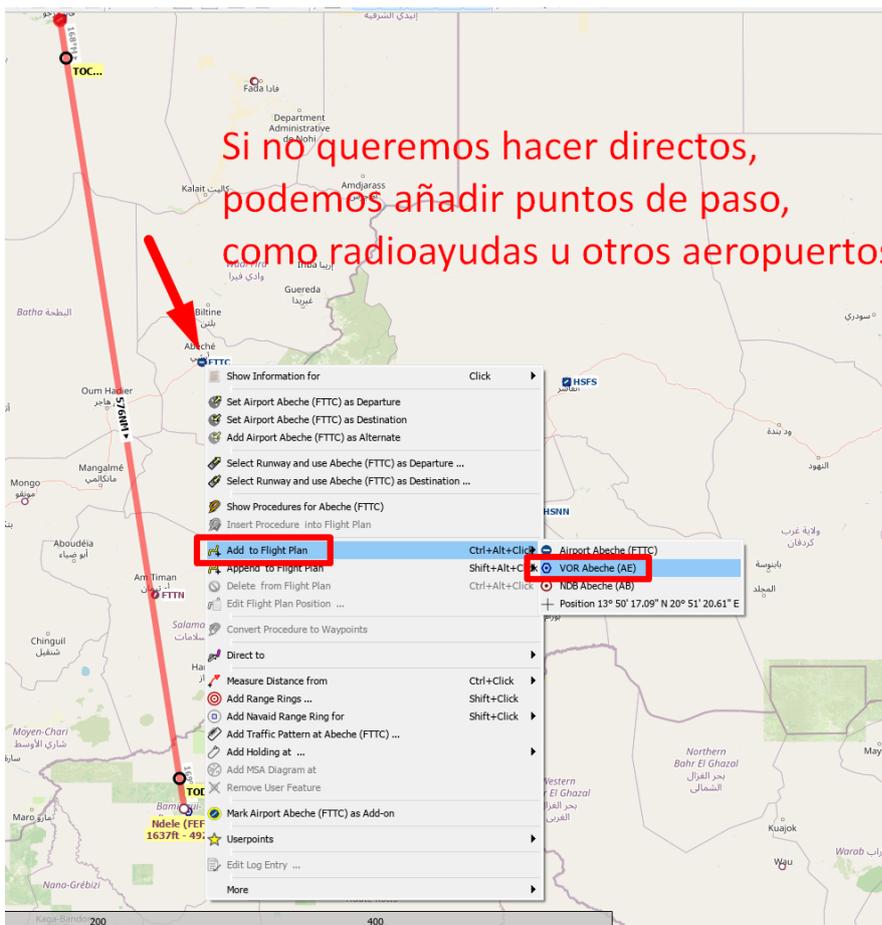

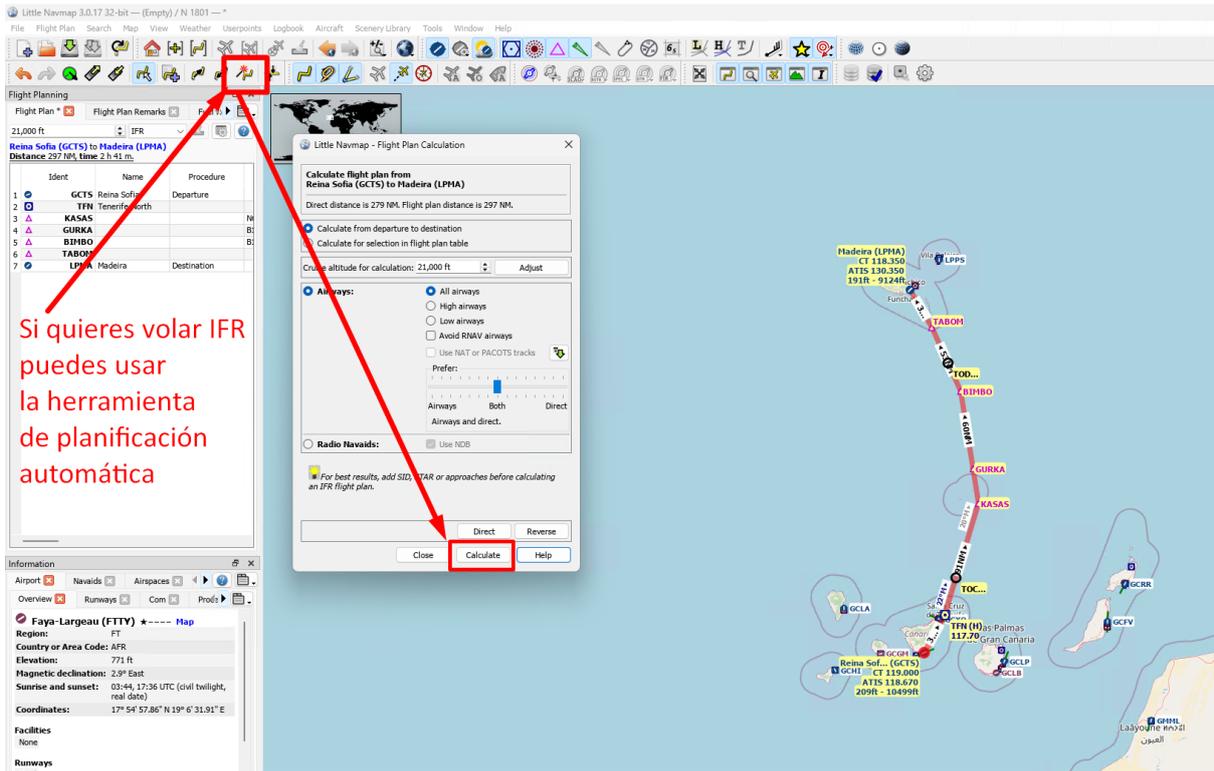

Si quitamos estas opciones, «despejaremos» la pantalla

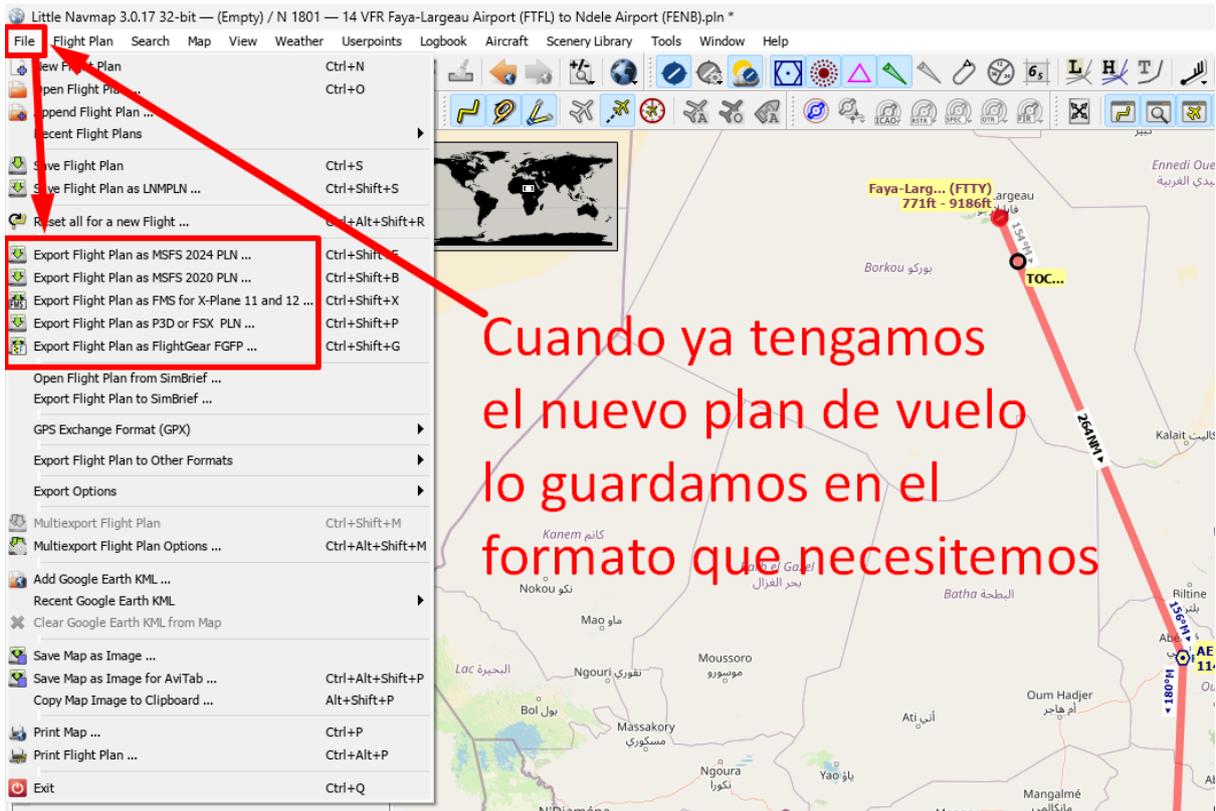

Quando ya tengamos el nuevo plan de vuelo lo guardamos en el formato que necesitamos
